DEBIT/CREDIT CARD DEPOSIT PROCEDURES

Once your account is open, you can make a deposit by Credit or Debit Card into your account by utilizing the following procedures:

Online

To fund online using a VISA¹ credit/debit card, login to your account and click on the Fund button located in the upper right corner of the main wagering window. In the Account Funding window, click the Credit Card Online link under the Deposits category.

Enter the requested information and the amount of your deposit. The minimum deposit is \$10.

Each deposit is subject to a 4.5% fee and will be deducted from your total deposit. Your bank may charge additional fees. When approved, the funds will be immediately deposited into your account.

The name and address of the credit card must match the information we have for your account.

¹ VISA Credit Cards only accepted online, use By Phone method for other cards.
